Dear Al,

Enclosed is a copy of a proposal from Dr. William N. Locke requesting Foundation support for the preparation and publication of "A Current List of Communist Chinese Serials." It would be very much appreciated if you could furnish us with your critical review of this proposal along the following lines:

1. The possible contribution such a list may make to further the knowledge of the availability of Communist Chinese serials.
2. The adequacy of the budget.
3. Any additional information you deem pertinent.

This application is presented to you for administrative purposes only, and we ask that you return it to us with your reply.

Please accept my thanks for the service you render in this respect.

Sincerely yours,

Key I. Kitagawa
